

Greetings!

Prov 28:1 The wicked flee when no man pursueth: but the righteous are **bold as a lion**.

It is hard to be free when you have been a slave for so long. You are stronger when you are bold.

Brave Boldness is the key to faith.

The reason it is hard to be brave, bold, righteous and free is **you now must learn to be something you have not been**. Our problem is the same as the Children of Israel when they came out of Egypt. It is hard to be free in spirit when you have been a slave for so long. Some of them, in their heart, never did get out of Egypt. Our problem is we restrict ourselves.

Freedom is precious. Every Apostolic must fight for his own bold, blood bought, freedom within. Men will die for it. It is at the core of man's existence. **Man is as free as he is willing to be**. The promise is - John 8:36 If the Son therefore shall make you free, ye shall be free indeed. Jesus lived free in every situation, whether it was a Pharisee heckler or Pilate in the judgment hall, He stayed in control. He left His peace to all who will take it.

A slave adjusts to a lifestyle of letting his master do the thinking and telling him what to do. People become a slave to sin. Satan knows this and tempts people to sin. He becomes their master.

When a slave is set free he is required to take the responsibility of making his own decisions. In doing this he soon realizes he can make bad decisions and suffer the consequences. The other side of that is he can make a good decision and do some marvelous things if he will but take the time to learn God's Word. Then he makes good decisions based on God's Word which cannot fail.

You would amaze yourself at what you could do for God just by learning to take your liberty with blood bought boldness. Boldness is the key to faith. Face your day with boldness. Your boldness is your strength. Taking bold action a few times will make this self evident. You have the authority to do this because God has given you forgiven dominion through the Blood. Forgiven dominion is a free spirit. It is a valid place of authority where you make the decisions. It is boldness to resist and withstand Satan effectively.
