

This one is for all. We all live by what we imagine to do. That is the law of The Book.

The success of our calling is determined by our clear imagination of God's will. All we need is a sincere desire and a pure imagination.

Gen 2:7 And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.

Man became what God intended him to be - a living soul - worth more than all the world and an imagination that is necessary to understand His Word. He put pictures in His Word for man to imagine - pictures that man can understand and perform. My slogan is: see it - do it.

Col 3:9 Lie not one to another, seeing that ye have put off the old man with his deeds;

10 And have put on the new man, which is renewed in knowledge after the image of him that created him:

God's method for reaching our imagination is to make His word like a mirror. You can take off the old man and put on the new man. You can see yourself in God's Word and correct your image with the inspiration of that Word. It can be exciting living for God and doing His Will. It is like a new suit or a new dress. It makes you look better.

You see your self worth in your imagination. A low self esteem holds back many good people. God made you - just one person - to be worth more than all the world. That is why only one man needed to die for our sins. Just One Man. That is how valuable you are. Stand tall - walk straight - breathe deep and love God with all your heart. He knows your value and will perform His Word in you with respect to your faith.

You have been set free by the Blood of the Lamb. You are a living soul that has ability - or can develop the ability - to act and function independently of the world and its system. You are free to occupy a certain position in God's Kingdom. You are free to be.

Work on your ability to BE.

1. Be yoked to Jesus in name.
2. Be someone in the Kingdom
3. Be somewhere and take an area for God.
4. Be in existence and declare there is a God.
5. Be a witness and make things happen.
6. Be equal to the task.
7. Be real - you represent great value.
8. Be specific as to what you are.
9. Be undisturbed by change.
10. Be the value of your self worth.

The Quality of your Imagination Engine determines your success factor. God fitted His Word to your imagination. Your imagination runs on the power of the inspiration of His Word. It is the same in the language of all believers. There is no one language that tells it best. A language is designed to explain God to the Locals. His word is the same in all languages. The sign on the cross was in Greek, Hebrew and Latin. It means the same in all three languages. In 1611 it was translated into English - Luke 23:38 THIS IS THE KING OF THE JEWS.
