

After listening to two or three eyewitnesses Luke had a PERFECT understanding of all that Jesus began to do and teach. Acts 1:1. He did not challenge it. Neither do I. When I see what Luke saw I become an eyewitness just like Luke. He wasn't there either. But he saw with a perfect understanding. God makes eyewitnesses out of Believers. I believe God, therefore I have become an eyewitness to the things Luke saw.

An eyewitness from the heart is God's best proof of Himself. The eyewitness sees it. He has a rock foundation to witness from when he see it for himself. An eyewitness can speak from his heart. It is in him. He has seen it with his own spiritual eyes. It is in the Bible. He must be honest. He cannot betray himself. Once you see it you must be true to yourself.

Luke 1:1 Forasmuch as many have taken in hand to set forth in order a declaration of those things which are most surely believed among us,

2 Even as they delivered them unto us, **which from the beginning were eyewitnesses, and ministers of the word;**

3 It seemed good to me also, having had perfect understanding of all things from the very first, to write unto thee in order, most excellent Theophilus,

4 That thou mightest know the certainty of those things, wherein thou hast been instructed.

All who have written Books in the Bible are eyewitnesses.

God has placed the Bible in the world as His witness. He committed His Word to men.

He is committed to His Word.

You will find eyewitnesses of the Bible in our day.

Every generation must find God in His search for them. He is not far from any of us. He is there and will reward those who diligently seek Him. God is still doing miracles today. He that cometh to God must believe that He is and that He is a rewarder of them that diligently seek Him.

God is not willing that any should perish. It has been 2000 years since Calvary and God has been working every second of time to seek and to save that which is lost. His efforts have not been in vain. God neither slumbers nor sleeps. Even today the Apostolic cutting edge is moving forward in time to seek and to save. We need to live on the Apostolic Cutting Edge of time and be used by God in His efforts to save the lost.

The ground rules for my way of explaining what happened.

The story must be told in a believable way by Eyewitnesses. An eyewitness is proof that it did happen. **LET THE EYEWITNESS TALK!** Peter said: "we saw Him on the mountain in Galilee after His resurrection."

2Peter 1:17 For he received from God the Father honour and glory, when there came such a voice to him from the excellent glory, This is my beloved Son, in whom I am well pleased.

18 And this voice which came from heaven **we heard**, when we were with him in the holy mount.

19 We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts:

20 Knowing this first, that no prophecy of the scripture is of any private interpretation.

21 For the prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost.

Peter said: "Keep these things in remembrance. **We SAW HIM! We heard the voice from Heaven!** We are eyewitnesses of His Majesty!" **Remember this! Remember this!**

God is continually searching for us with the Bible. God is putting Bibles in all the world in every language. **The Story must be told in a believable way. LET THE EYEWITNESSES IN THE BIBLE TALK THRU YOU.**
