

This A.C.E. is number 238. What does the number 238 remind you of?

Prov 4:7 Wisdom is the main thing; so get wisdom: and with all thy getting get understanding.

8 Exalt her, and she will promote thee: she will bring thee to honour, when thou dost embrace her.

All of living goes on in the mind, therefore, better thinking means better living.

Rule # 1. Do not think about what you don't want.

Rule # 2. Think about what you do want.

Rule # 3. Think Scripture because that is what you do want.

I conclude that God made man and wants to teach him what to think and how to think. I reached this conclusion because God gave man a mind to match his soul. God is the only one that can speak to man at the level of his soul so He gave man the bible. Worldly wisdom can put man on the moon but it cannot get him to heaven. Worldly wisdom does not reach the soul. Worldly wisdom neglects the soul. God gave us the bible to fill this gap. This Newsletter will show you what to think and how to think according to our creator.

Wisdom for learning is: Wisdom on how to choose the right material to learn. What to think is the bible. The Bible is Wisdom on how to learn it and get it right. How to think is to be an obedient servant of God. For instance: I do not want to learn how to rob a bank. I want to learn how to please God.

God spoke to my heart recently and said: "The class is not over yet. I have more I want to teach you." With a deep respect and love for the bible I am eager to listen to what God wants me to learn. I am 81 years old. The meter is running and time is ticking 24 hours a day. The questions I asked myself are: "Where am I going with all my preparation of learning, and, Do I believe God in what I am learning?" Learning is preparation for a TEST. It is a test on what you have learned. I want to pass His test.

I wrote on a piece of paper, Two things I have learned. Number one is the power of the seed. Gal. 6:9 you will reap if you faint not. Number two is "do not draw back" Heb 10:39 But we are not of them who draw back unto perdition; but of them that believe to the saving of the soul. Then I wrote on that same piece of paper: This I will do, I will activate the seed in Gal. 6:9, and I will "believe to" a harvest in Heb. 10:39.

What God is teaching me is wisdom for learning. He is teaching me how to choose the right material and how to learn the wise way so I am sure I've learned it right.. Wisdom for learning produces wisdom for living and that is what life is all about. God teaches us what to think and how to think it. The carnal man resists this. The carnal man says, don't tell me what to think. Don't tell me how to think. This I know because I was there. I did not want anyone messing with my mind. I remember it and this was the biggest mistake of my life.

I am older and realize that we are all as children and need to learn how to think and what to think. Letting the little darling have his way stunts his mental growth. God gives us wisdom of what to teach our children and wisdom on how to help them learn it. This is the wisdom intended in this book, wisdom for learning for the grown up child of God. Learning the wise way is much easier than learning through your hard knocks.

We were not born with a mature mind. We were born without knowledge. We had to learn how to roll over, crawl, stand up, walk and we had to learn words to talk. It is all a learning process and wisdom is involved. We started out with the wisdom of our parents. We are required by God to seek out wisdom for our self. We are accountable to God to seek out and obey the wisdom in His word.
