

The Lord's table supplies that which is lacking in God's people.

1 Cor 10:21 Ye cannot drink the cup of the Lord, and the cup of devils: ye cannot be partakers of the Lord's table, and of the table of devils.

2 Cor 9:12 For the administration of this service not only supplieth the want of the saints, but is abundant also by many thanksgivings unto God;

As I was meditating on this scripture, "the want of the saints" was magnified in my mind. It was lifted up into the area of the Christian walk. The want of the saints became a need of obedience to the word in other areas different from, but not excluding, money needs. It is all right there in the Bible. Phil 4:19 But my God shall supply all your need according to his riches in glory by Christ Jesus. Our needs are not always money. This article is designed to help you supply what is lacking in your life. Our lack here is believing ALL means ALL. Folks, there is no way around this scripture. We must believe ALL means ALL. My God shall supply ALL your need according to his riches in glory by Christ Jesus. Why shouldn't we believe that? Has God ever failed?

We need to discover why we lack when God has made so much available. The fault lies in us. We are not doing something right. We must make a division of all the things we are doing. We must divide the good from the bad. We need to develop the things we are doing that makes the bible come alive in our heart. The time that we do it, the way that we do it, how often we do it, how determined we do it, all need to be observed so we can develop a pattern and strategy that works every time. We must believe that He is and that He is a rewarder every time we read our Bible. Our faithfulness must equal His faithfulness if we are going to make it work.

We need discipline to read faithfully, as well as, discipline to obey what He is telling us. Discipline is a part of every walk of life. Every profession has a discipline. We control the word by obeying it. As we obey the word it accomplishes what God sent it to do.

We must decide to love doing His will. David said, "I delight to do thy will." Obeying the scripture is like going to work on pay-day. You know you are going to receive your wages. It's fun going to work on pay-day. If you love your work it doesn't seem like work. In other words, if you love your work you will never work again the rest of your life because you love what you are doing.

We need to determine to follow through with what we have started. It is at this point we produce the product. If we fail here all our effort is rendered worthless. God has given us what we need but we are not using it. Use it or lose it is a true saying. Forget the things that are behind and press toward your goal. Never give up. Start and don't stop.

We need to delight in what we have done. We must learn to stop and rest. God made the seventh day as a rest for man. Jesus said the Sabbath was made for man. We over work ourselves, get weary and mess up. Our mind needs a rest. STOP! DON'T GO THRU THIS STOP SIGN! OBEY IT! When you rest you make good memories of the things you have done right. You need these motivational recalls to inspire you to do the next BIG thing. You need inspiration to take on your next project.

Be a partaker of the Lord's table. Discover what you need. It's on his table prepared for you. Divide, single out the word you discovered that you need. Develop a process for obeying it. Pray, memorize it, believe you already have it. Discipline yourself to do it over and over again. Decide to enjoy obeying His word. Determine that nothing will stop you until you have the food from his table inside you accomplishing His will in your life. Delight and rest from all your labor for this is the will of God concerning you.
