

While eating lunch, my wife and I were discussing a person who is bored. She made the statement: "To be bored you have to be a Drop Out." We have been married 58 years. She has read the Bible thru 42 times. She went to teach Search For Truth for 10 weeks at a nursing home and stayed 18 years. Drawing on her memory database she said "to be bored you have to be a drop out." Think about that. Don't just read on! I said think about that. It is sad to be a "Drop Out of the Word of God and be Bored."

A bored person is someone who has dropped out of the race. They slowed and stopped with the Baton in their hand rather than passing it on. They sit with their head down and the Baton still in their hand. "Sad."

To regain control in a bad situation we need recall. Romans 12:1. I beseech you therefore, brethren, by the mercies of God, **(because of Calvary.)** Romans 12:2----be ye **transformed by the renewing of your mind**, that ye may prove what is that good, and acceptable, and perfect, will of God. God made us subject (a slave) to vanity that He might subject us (a slave) to hope. A devout slave to hope is a devout servant to God.

There are things in life that overtake us. Things we cannot control. If we are a slave to vanity we are weak. If we are a slave to hope we are strong. An Apostolic will arise to the occasion by renewing his mind. When you learn these lessons within, depression has a hard time overtaking you. Your recall defeats it immediately. Your faith arrests your fears with the inspiration of the word of God in your memory bank.

How to renew your mind.

Lamentations 3:21.**This I recall to my mind, therefore have I hope.** 22.It is of the LORD's mercies that we are not consumed, because his compassions fail not. 23.They are new every morning: great is thy faithfulness. 24.The LORD is my portion, saith my soul; therefore will I hope in him.

Jeremiah said, when I recall, I have hope. The first thing he recalled was the mercies of God. They are new every morning. Every morning we wake up we have fresh new mercies to start our day with. Renew your mind every morning by accepting His mercies and dedicating your day to God. Remember Jeremiah: This I recall to mind, therefore have I **HOPE!**

Thoughts are pictures in our mind that make us either happy or sad. Properly treated a sad picture can trigger a renewing of your mind. In the above scripture Jeremiah said, **therefore have I hope.** He said this because of his recall. His recall inspired hope again. A recall database is a backup generator. My Book on Joseph teaches he had a Backup Generator. It will turn the lights on again. **One good thought of inspiration will light up your mind again.**

A back-up generator is a database of inspired scriptures and thoughts stored in your memory bank available for recall. These scriptures are promises from God that we are convinced cannot fail. **We recall them and faith arrests our emotions.** The lights turn on again. All great Bible characters recalled the promises of God to sustain them. We can do this also.

If we will build our house on this rock of God's inspiration, our house will withstand any storm that can beat vehemently against us. That is a promise Jesus gave us that cannot fail. I have proved it to myself. I can know what I know. It works!

Learn to take and keep notes of inspiring thoughts. The inspiration stays with the note. The note is timeless. Once you see a truth that you can recall, that truth belongs to you. It is honey in the jar. It is money in your bank.

Deuteronomy 29:29 The secret things belong unto the LORD our God: but those things which are revealed **belong unto us** and to our children for ever, that we may do all the words of this law. Don't worry about who said it. If it inspires you it belongs to you. It's money in your memory bank account. It is honey in your honey jar.
