

On Dec. 6, 1986 I recorded a thought that was inspired to my heart by God and saved it. The thought is: "That your voice may be full." This thought was inspired by the following scripture: John 16:24 Hitherto have ye asked nothing in my name: ask, and ye shall receive, **that your joy may be full.** (allow me to insert the word "voice in the place of joy" ~ **That your voice may be full.** ALF 12/2/86)

There is a need for a FULL VOICE OF JOY in the world that fulfills scripture. A voice, full of faith, will prove to others that good, and acceptable, and perfect, will of God. That is the starting point. That is where you begin. Eyes to See ~ Ears to Hear ~ A Heart of Faith to Believe. See it ~ Do it. A full voice speaks the sound of "knowing." A mind full of faith compatible with God's unfailing Word is the key.

Eph 6:6 Not with eyeservice, as menpleasers; but as the servants of Christ, doing the will of God from the heart;

7 With good will doing service, as to the Lord, and not to men:

8 "**Knowing**" that whatsoever good thing any man doeth, the same shall he receive of the Lord, whether he be bond or free.

Knowing what to think and speaking with the sound of a full voice will prove the scriptures.

Rom 12:1 I beseech you therefore, brethren, by the mercies of God, *i.e. because of Calvary*, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service.

2 And be not conformed to this world: but be ye transformed by the renewing of your mind, **that ye may prove** what is that good, and acceptable, and perfect, will of God.

Learn the language of faith?

To learn the language of faith you must also learn the words you should not use in your speaking. A negative and pessimistic attitude toward life will hold you back in your language of faith. Learn not to say "I can't," or "it wont work." Study the words you are saying. If they are filled with doubt and unbelief determine not to use them again.

We must be the "spirit man" God made you to be or He has nothing to work with. The language of faith is made up of words that make faith filled pictures that can be believed. We speak it believing that God and His word are true. In Him we live and move and have our being. We do not live a double life. Whether it's our weekend or our work week, we live with a constant faith in God and we talk like it.

The Language of faith is a language of truth.

The language of faith is a language full of truth, spoken in the spirit world by a believer. The language of faith reaches outside of our natural way of living. It speaks words of the believer in the realm of the spirit world where we, as a spirit, exist. The language of faith is based on the truth that there is an unseen God in whom we live and move and have our being. A God that we have not seen, yet we believe in and love Him with a joy unspeakable. The language of faith is the language God gives us. It is the words that He has spoken that give us the authority to speak words of faith. Without Him we can do nothing. We are children of His family with all the rights of the children of God including the rights of inheritance.

To me it is evident that all people think in pictures and not words. Some word pictures are good and some word pictures are bad. There are good words, full of faith, and, there are bad words with no faith in them. It is far more evident to me that God's word, the bible, is written with good words to be read and spoken in a language of faith that make faith pictures. Use God's faith filled words, that your voice may be full. If you think my voice is full on this one email me. Thanks.
