

Your thinking is your life. You should learn what to think so you can make the most of your life and use it wisely. Think with me about the bible. Give God your attention! Do I believe this? What does it mean to believe?

To believe is to have a picture in your mind that you accept as true. However this picture can be good or evil. A bank robber will rob a bank because he believes he can do it. The question I am projecting into your mind is, what does it mean to believe God?

Faith is a picture in your mind of a definite substance of the thing you hope to obtain, a definite evidence of a thing you see. Faith is believing you will receive from God what you see now only in your mind. This is believing God.

The make-up of man is complicated and at the same time quite simple. There are men who can put man on the moon because they believe. There are men who cannot read nor write but can grow a bountiful crop of corn or wheat because they believe in the seed and the soil. I have known both kind. And both kind can go to heaven if they believe in their maker.

To believe God is to obey Him. Obedience is the key. You cannot do anything in the spiritual world without believing and obeying God's word. Heb 11:6 But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.

God has given us a book called the Bible to guide our steps as we journey through life. The Bible is profitable for doctrine, for reproof, for correction, for instruction in righteousness to completely furnish a man to do good.

2 Tim 3:16 All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: 17 That the man of God may be perfect, throughly furnished unto all good works.

The problem with man is he is two sided. He is flesh and spirit. The flesh wars against the spirit and the spirit wars against the flesh making it hard for him to do that which is good. To overcome his flesh man must believe God and be inspired to receive the reward of them that diligently seek Him.

To believe God means you must first read the bible and hear what He has to say about believing and living life in the flesh and in the spirit. The bible is God's recorded word for man. It is man's guiding light. The bible is the owners manual with instructions on how to believe God and live the life you were created to live.

God made His word to become flesh so that we might see the way He designed for us to live. He came in the flesh to give us an example to go by. He let us see the way, the truth and the life in the person of Jesus Christ. Jesus came and did it that we might see how to do it. As a child imitates his parents we are to be imitators of God manifest in the flesh. Eph 5:1 Be ye therefore followers of God, as dear children. Do I Believe This?

Gods word is so plain you can have only one question about it - Do I Believe This? God has spoken. He has declared Himself. He will perform His word. He has spoken from the spiritual world. The creator of it all has declared the end from the beginning saying, my counsel shall stand and I will do all my good pleasure.
